Not Approved.....	0	Average Daily Ridership 2000-01	59
High School Diplomas Regular.....	17	District Owned Operation	
Other Completions* .....	0		

\* Certificates of Completion issued by the district

\*\* Limited English Proficient (LEP)

### Superintendent's Highlights

Another year comes to a close. Student achievement although small was noted in many areas of the curriculum.

The approval of the Board in allowing a one hour early out every Wednesday to be used in curriculum development, the mentor/teacher assistance program, and teacher collaboration has been very positive.

Curriculum alignment and implementation of the State standards and benchmarks has been the main thrust in staff development.

This year the District had an outstanding staff which work together as a team in bring about school improvement.

School finance has been one of the greatest concerns facing the Richfield District. This issue will need to be addressed during the next school year.

Progress and improvements have been made during my tenure as superintendent.

### Student Profiles

#### Ethnicity

Race	Male	Female	Total
White	36.54%	41.11%	77.65%
Black	0.51%	0.51%	1.02%
Hispanic	9.14%	7.11%	16.25%
Nat. Amer.	1.02%	1.02%	2.04%
Asian	1.52%	1.52%	3.04%
Total	48.73%	51.27%	100.00%

### Dropouts

01-02	0	0	0	2

### Progress Towards Meeting District Goals

#### 2001-02 Goals

#### Progress

To improve instruction

The focus in this area was to incorporate the State standards and benchmarks along with curriculum development. Progress in this area was made as a result of our one hour early release day to work on curriculum.

To improve student achievement

Student test results indicate that some improvement was made in most academic areas. In kindergarten steady growth was shown from fall to spring. 70% of the students were reading at or above grade level on the spring IRI. 65% of the students in grade 1 were reading at or above grade level on the spring IRI. 50% of the second grade students were reading at grade level or above on the spring IRI. Third grade had 44% of the students at grade level or above. On the Direct Writing Assessment the following was noted: 4<sup>th</sup> grade 66% scored 3.0 or higher; 8<sup>th</sup> grade 64% 3.0 or higher; 11<sup>th</sup> grade 86% scored 3.0 or higher.

On the Direct Math Assessment the following was reported: 36% of the students in both the 4<sup>th</sup> and 8<sup>th</sup> grades scored 3.0 or higher.

Improvement in total language-grades 5, 6, 7, and 10. Total mathematics improvement-grades 5, 6, 7, 8, 10, and 11. Core battery improvement in grades 4, 5, 6, 8, and 10. A small amount of growth was recorded in the scores of students on the MAP level tests from fall to spring. Mathematics showed the greatest growth from fall to spring testing.

To improve school facilities

Two significant projects were accomplished this year. One was the installation of four lab tables in the science room. The other was the remodeling of the restrooms in the secondary wing of the school.
